OFF THE ROAD (OTR) RADIALS

WEST LAKE®

RADIAL O.T.R.

Premium E3/L3/G3 designed for use in multiple applications like loader, articulated dump truck and grader. Heavy duty dual star carcass allows for excellent retreadability. Deeper and wider tread guarantee longer tire life than most of the competitors. Unique cut and wear resistance compound. Reinforced sidewall rib enhances protection against sidewall damage and puncture.

Applications:

WEST LAKE®

OFF THE ROAD RADIAL O.T.R.

Tread Design

- Deeper and wider tread design guarantee longer tire life than most competitors offering

Reinforced Sidewall

- The reinforced sidewall rib enhances protection against damage to the sidewall. This also offers protection against punctures due to debris from application. Delivers less downtime from unforeseen potential damage.

Unique Compound

- Delivers excellent cut and wear resistance. Generates less heat while in operation giving a longer life expectancy of the tire.

WARRANTIES

All products sold by MITCO are guaranteed to be free from defects in workmanship and materials. Any product found by us to have such a defect will be replaced or a reasonable adjustment or allowance will be made against the purchase of a new product, within our discretion. All other costs involved, including, but not limited to, labor, freight, service, and taxes are to be borne by the buyer. The buyer agrees that replacement or adjustment, as aforesaid, shall be the exclusive remedy and that MITCO shall not in any event be held liable for any special, indirect, or consequential damages. MITCO makes no other warranty, express or implied and specifically excludes any and all warranties of MERCHANTABILITY and FITNESS for a particular purpose.
